Let's See What's Included In Your Plan

Exam

Tip-of-nose to tip-of-tail coverage

- ✓ Medical Exam (up to 2)
- ✓ Medical Flex Exam with Priority Access

Vaccine

Preventative care to keep you and your pet safe

- ✓ Canine Bordetella Vaccine
- ✓ Canine Rabies Vaccine
- ✓ Canine DHPP Vaccine

Diagnostics

Comprehensive annual lab work and screening

- ✓ Screening Bloodwork
- ✓ Canine Heartworm Test

Additional

Wraparound services to keep your pet healthy and happy

- ✓ ASPCA Poison Control Hotline Consult
- ✓ Annual Pet Flexible Spend Allowance

Plus a Pet Flexible Spend Allowance!

Pet Flexible Spend Allowance

Your PetCentric Health plan also includes a Pet Flexible Spend Allowance (Pet FSA)! This is available for in-clinic use on unexpected pet expenses outside of your primary care plan and can also be used for after-hours emergency care as needed. Excludes in-clinic retail including prescription dietary food.

- ✓ Eliminates reimbursements and is transaction-less when used in clinic at time of care! Your FSA can build over time for those unexpected expenses.
- ✓ Roll over 75% of your FSA to each following plan year!

Pet FSA Amount

\$250.00

The PetCentric Health Pet FSA does not have any implied tax benefits
