### Pet Flexible Spend Allowance

Your PetCentric Health plan also includes a Pet Flexible Spend Allowance (Pet FSA)! This is available for in-clinic use on unexpected pet expenses outside of your primary care plan and can also be used for after-hours emergency care as needed. Excludes in-clinic retail including prescription dietary food.

- ✓ Eliminates reimbursements and is transaction-less when used in clinic at time of care! Your FSA can build over time for those unexpected expenses.
- ✓ Roll over 75% of your FSA to each following plan year!

**Pet FSA Amount**

**\$150.00**

*The PetCentric Health Pet FSA does not have any implied tax benefits*
